Dear Commissioner Kennedy:

I own a home in Anthem, Az. and as a homeowner and a customer of Arizona American Water Company; I am respectfully requesting your consideration to support 'deconsolidation' of the Anthem/Aqua Fria Wastewater Treatment District.

We have always been, and will continue to be, in favor of paying for services related to our community. We understand Anthem has an independent wastewater treatment facility to service Anthem with no connection to the Aqua Fria system.  
**Why are we paying for facilities we do not use?**

We feel "deconsolidation" is fair and just and urge you to correct this wrong.

Dear Director Barfield.

We strongly oppose the rate increase of 84 percent asked for by Arizona-American Water..  
Az-Am made a decision to build the water treatment plant knowing that the construction boom  
stopped in 2008, that they were depending on to support the water sales for the west valley..

In Surprise and other communities in the west valley were going to be supplied with only 11 percent  
of the supply from the new plant.

Now Az-Am wants us to be responsible for the cost of the plant.

Another thing, they want the rate increase to go on for ever without a stop date when they have been  
repaid for the cost of construction.

We were doing just fine with ground water supply and did not need water from Arizona Central  
Project. Also we paid a hook up fee once and don't need to pay it again.
